WHAT'S IN IT FOR ME?

Not too long ago one of Hawaii's top runners was asked why he wasn't a member of Mid-Pacific Road Runners Club and his answer was, in essence, "what's in it for me?"

Now that's a reasonable question for anyone to ask. If they're going to pay \$7.00 for membership, they should know what they are getting. Many of us take for granted our MPRRC membership so let's review what's so great about this Club.

If you were a club member in 1979-80, you had the opportunity to;

- 1) Attend two running camps, at a very low cost, where you learned, were coached and lectured to by the most knowledgeable runners and physicians in Hawaii;
- 2) You could attend free of charge at least three Runner's Fairs sponsored by MPRRC;

- 3) You could've attended several social functions with others including the annual Marathon party attended by various national class runners;
- 4) You would've received, free of charge, the Club's newsletter, HANG TUFF, and RRCA's Footnotes.

For the average serious runner almost any one of these would've been worth \$7.00. But what about the elite runner? Maybe he knows all there is to know about running and doesn't want to mix with running's "hoi polloi." What's in it for him?

How about this fact: No other single club puts on as many races as Mid-Pac. And instead of a \$5, \$8, or \$10 entry fee, you just sign up at the start and run. You dont't get a t-shirt, but how many of us who've been running awhile really want another one anyway?

In the past month, I've spent almost \$30 entering other people's races. Considering all of the ones available to me through MPRRC, perhaps I'm a running junkie (RJ).

But our elite runner (and everyone else who wants to run competitively) has to always remember:
MPRRC is a runner's club, run by
runners, for runners' benefit. Our
racing schedule and other activities
don't just happen. They happen
because there are some runners
who truly care about thier sport
and want to put back into the
sport a little something in return
for so much that it's s given them.

Aloha;

As the New Officers assume thier new roles, heading the way for better organization, and more enjoyable races, all of us hope that the 1980-81 running season will be a successful one. I hope to contribute as much as possible and keep HANG TUFF informative as well as current. With all of the Mid-Pac races becomeing larger and more difficult to catalog, all of us here at HANG TUFF will try and do the best we can. I hope we can all work together, and make this season the best one possible, both for the begining runner, as well as the seasoned one.

MPRRC KAHI HOLO

As a few fellowrunners listen, camp KAHI HOLO, was both educational and informative. Here relaxing in a quite and peaceful atmosphere, coach BRIAN Clarke speaks qiving helpful hints. This was the 2nd runners camp held, and both the coaches and runners had a good time. The food was also a main point of the camp, as many stories are circulating about town.

In case you missedthe BOSTON MARATHON on TELEVISION, congrats to Club Members STEVE SOBAJE (53rd in 2:25:37), SPENCER CHAPMAN (707th in 2:46:54), THAD SUTTER (1362 in 2:57:35), GEORGE ISHIKI (2333rd in 3:10:42), as well as BOB NOBLE and GORDON DUGAN, for whom we have no vital statistics.

Four elected and one appointed Club Officers are so closely aligned with relay running teams we can call them, GOLDY, RATTY, MOLDY, MILER, and RED. Can you guess the persons and thier teams? DENNIS HANSEN always the Menace had a 38-hour, 34-minute non-stop effort of walking and running 60 miles in the March of Dimes 2nd Annual Ultra-Trek around Oahu, A newspaper stated, 'lasked him if he hurt and he wouldn't answer" (His pride may have been hurt by such a question). Dennis will er be glad to know that FRED TRASK finally conceded the Swim-Run Trophy to MPRRC, apologizing for miscalculations, and handing it to RON MARKARIAN.

KAHI HOLO, the Second Running Camp, held this time on the beach at Lanikai, produced some excellent coaches, such as JOHNNY FAERBER' JIM PRESS, BRIAN CLARKE, MICHEAL GEORGI, and BROOK THOMAS, to mention a few.

MIKE TYMN, whose Honolulu Advertiser Column has been widely read for two years, has terminated the Column after change of Editors and much snipsnip of what he wrote. KENT DAVENPORT is circulating petitions to the Advertiser to reinstate him.

will they never learn that "FARTLEK" is a Swedish term for speed, not a flatulent noise. CHUCK WALL and SHARON COLON belive the 57 persons turned into a closeknit group after six meals and washing pots and pans together. Cafe COLONnade? JEFF JACOBS brought by his mother from WISCONSIN, and STUART HARP left early for sunday military duty.

At the Schofield 57-mile Relay and Ultra -Marathon, through a computer error NIKE numbers were for 7 80-man teams instead 7-man teams, so there of80 were overnight adjustments by the handof SCOTT and SUE BULFINCH, who spent the night at Schofield because of the Ford Island Ferry Schedule. Dr. David Barnes was comended for several runs for ice pickup. DICK "Winged HOYER wore the Mercury" that has become

his trademark while PAUL RYAN emphatically denies his horned cap is that of a snail. FRANK MCDONALD was elated that the Marine Team

beat Navy by 4 seconds, running five against six. Among the sunkist were CARL ELLSWORTH, revived after being ice-packed on a cot, and another runner who was dispensary. carted to the MICHEAL GEORGI has plaque awards and prefers edibles; some runners have edibles and dream of any kind of award. Looking nonethe worse for 50 miles was MAX TELFORD, whilesome runners-up hobbled forward. IIM BARAHOL, St.Francis Hospital Doctor, was beeped back for a patient between his running legs. Wonder how the new "ARMY" T-shirt will go over at USAF USN. USMC bases?

WEARIN' O' THE THE GREEN came two days before PATRICK'S DAY for Members in the IRISH STEW RELAY at Hawaii-kai March 15, staged by SPENCER CHAPMAN, with a winning team of O'TYMN, O'COURTER, O'THOMAS and O'TELFORD the wearing stunning green T-shirts for the Any resemblance to Leprechauns in running stride was FRANK coincidental. O'MCDONALD should have had the "luck of the Irish" with his ERIN GO BRAUGH team, but it just didn't "go" fast enough. Frank is now being accepted by 9 out of 9 law schools applied to, only the USMC will let him enter in September.

If the Stew had a little rain, a little wind, and some close finishes, the Old Pali Road Run the runners All that went up finally came down. GEORGE ISHIKI was at highwayturn-around prevent runners from skidding on to the "new" Pali road. BOB GARDNER was sure the turnaround was farther because his time was slower. Undaunted by a pre-race downpour, a crowd of some 150 runners and helpers poved to be dedicated 'nuts' .. DAN TOMPKINS and SCOTT BULFINCH in canary-yellow wind-breakers running camp were at the finish line. DOC BENNETT had a striking photofinish sprint with a runner 4-5 decades his junior, MIMI BEAMS was beaming after her women's win.

A 1-page book review on Mark Osmun's THE HONOLULU MARATHON book appears in the March 1980 "RUNNING TIMES" (WEST), described as "the perfect book to persuade on the plane to HAWAII.

And you may never want to come back'." (Who can afford that book and the plane trip too thses days?).

LOU DISANTO can be reached at AMFAC Hotel and Restaurant Dept., 111 South Hill Drive, Brisbane, CA 94003.

MICHEAL GEORGI must have the broadest smile in HONO-LULU since winning the MAUI Marathon despite the mud, and slop near the Lahaina Sugar Mill. He is our "Happy Warrior" descendant of one of Napoleon's Imperial Guard from Corsica, we are told, MORGAN EDWARDS a new memberfrom Wash State, observed the hundred at Old Pali and thought it paltry compared to the races back home. NANCY COURTER has been on a 30-day tour of the Orient and didn't get Shanghai-ed. JIM PRESS and BOB NOBLE decided upon Saturday May 10th for a 1-hour XC TRAIL RUN, meeting at Sandy Beach Park and running into Koko Head Crater Garden, with a beach run and a potluck breakfast to follow. PRESS back from the Philippines, is off again for Hong Kong and P.I. on May 11th. His moustache and new glasses allow him to ge unrecognized except when he's running. NOBLE called WILL CLONEY of the Boston Marathon to be assured his entry would be accepted because "it's a long way to travel for nothing". Our favorite T-shirt collector has said, "Why give away shorts! I want T-Shirt!" Look another BROOK THOMAS' favorite t, "I A'dore le Français".
